

✧ Super Quick Towel Wrap

materials needed

- 1 beach towel
- 1/2 yard of coordinating fabric
- 2 yards of cording
- Measuring tape
- Thread

cutting instructions

- Measure around the widest point between your knees and hips. Add 2". This is your length measurement.
- Measure from your hips to the point you want your skirt to stop. Subtract 4". This is your width measurement.
- From your towel cut a rectangle that is your width measurement by your length measurement.
- From your fabric cut a strip that is 6" x your length measurement.

instructions

*Seam allowance is 1/2" unless otherwise noted.

1. With right sides together pin your fabric strip to your towel along one long edge. Select a straight stitch on your sewing machine and sew together. Finish your edges. Press the seam toward the towel. Topstitch 1/4" from the seam on the side of the towel to keep the seam in place.
2. Fold the skirt right sides together matching the edges. Pin. Sew along the side seam. Press the seam open and finish each side of the seam.
3. Unfinished edge of the fabric, turn it to the wrong side of the fabric 1/4". Press. Turn under 1/2" again and pin in place. Sew along the top edge of the fold to hold your hem in place. Press well.
4. Finish the top edge of the skirt. Fold the top of the skirt down 2" for the casing. Pin in place. On the front of the skirt place two dots 1" apart.
5. Sew from one dot, around the top of the skirt to the other dot. Leave the space between the two dots open for the cording to tie. Thread the cording through the casing you just created. Turn the skirt right side out and wear to and from the beach!together. Set aside.
